Learn more about Card fee charges

Annual Card charges
Annual Fee: ₹66,000 + taxes is applicable every year for American Express® Platinum Card. This includes the Basic Card and 4 complimentary Supplementary Cards. The Basic Card and all Supplementary Cards also enjoy complimentary access to The Centurion® Lounges.

An **add-on Supplementary Card** applicable from the 5th Card has an Annual fee of ₹10,000 + taxes.

Delinquency Fee applicable on your Card:
A **5% Delinquency Fee** (minimum ₹300) is charged if full payment of your American Express® Card statement is not received by the due date.
This fee will continue to apply on the unpaid balance until full payment is made.

Sample illustration:
A Cardmember has a total amount due of **₹20,000** payable by the due date.

If no payment is made by the due date:
Delinquency Fee = 5% × ₹20,000 = ₹1,000 (+ applicable taxes).
If a partial payment of ₹10,000 is made by the due date:
Delinquency Fee = 5% × (₹20,000 - ₹10,000) = ₹500 (+ applicable taxes).

This fee will be adjusted with the total outstanding on which the Delinquency fee will be levied and Delinquency fee that will appear in the next month's Bill Statement.
