## Golden Gallop

Strong, free-spirited, and in motion, the horse is taking centre stage in jewellery this year.

*Compiled By RADHIKA SOMALA*

A symbol of power, protection, and progress, equine motifs feel especially resonant right now. From finely crafted, literal horse forms rendered in gold and enamel to more abstract nods through hooves, bridles, and flowing lines. Ancient symbolism meets modern design, creating pieces that feel talismanic, grounded, and quietly wild.

1. Horse brooch, David Webb, price on request; 2. Lucky diamond horse talisman, Anita Ko, ₹11,51,700 approx; 3. Horseshoe ring, Selim Mouzannar, price on request; 4.
