

Mercedes-Benz G-Tribe Himalayan Escapade

A Rare Drive. A Rarer Tribe. Escape the ordinary with the Star.

Become part of the G-Tribe, a community connected
by escapades that drive beyond the ordinary.

Overview

Picture this. You're behind the wheel, and the air lifts you with every passing 'mile'. A river appears, shallow yet flowing fast. You cross and the water curls past, as the tyres find their way with you. G-Tribe Escapades by Mercedes-Benz unite legendary SUVs with those who move to the rhythm of open horizons. Beyond the drive lies wonder, moments of stillness, stories born in motion, and a shared passion for the extraordinary.

Come for the Drive. Stay for the Tribe.

The Drive

Steep climbs. River crossings. Long, quiet highways. Easy.

You're not rushing. You're seeing the best version of yourself in what the SUV can do.

The Cuisine

A breakfast with panoramic views of the mountains, where the silence is broken only by wind and birdsong.

Hearty local fare under the stars, where each course arrives as the night deepens.

The Culture

A morning spent at a monastery, joining in silent prayers.

An afternoon in a village workshop, watching hands shape something simple and beautiful.

An evening that ends with traditional artistic performances.

The Tribe

You arrive as motorists. You leave as storytellers.

A laugh shared over morning tea. A quiet nod after a long day's drive.

Come for the road. Stay for the people, places, and panoramas you will encounter along the way.

Crafted for Height

This first Himalayan Escapade invites you to a breathtakingly 'star-studded' story.

- + This is where altitude reshapes both road and rhythm. Begin in the plains and climb steadily into the Himalayan foothills, where forests, rivers, and mountain roads set the tone.
- + Pass through one of the world's longest high-altitude tunnels and into stark landscapes, following river valleys that lead deeper into high-altitude terrain.
- + Cross dramatic mountain passes and vast plateaus, where scale, silence, and distance define the journey.
- + Travel through the region's cultural heartland, shaped by ancient monasteries, high valleys, and life lived at the edge of the plateau.
- + Arrive at remote high-altitude lakes and frontier valleys, where the road reaches its most elemental expression.

Beyond roads. Beyond routine. Behind the Three-Pointed Star.

This is your passage into the Himalayas; vast, elemental, and enduring, as seen with the Star.
