Size: 210X148 MM

GETTING STARTED IS EASY

Select a PIN* of your choice

Your American Express® Platinum Corporate Card comes with enhanced protection against fraud from lost, stolen, or counterfeit Cards. To use your Card, you will be required to enter a 4-digit PIN to authenticate all transactions, which you can select through any of the following methods:

Register/log in at americanexpress.com/en-in/ and click on the 'Account Management' tab. Select 'Card Management' and select 'Your Card PIN'. Further, select 'Choose Your PIN' to set the PIN.

Call the helpline as printed on the back of your Card and follow the instructions to choose your PIN.

*For more information, please visit: www.americanexpress.co.in/chipandpin

Follow the below steps to enable domestic, international, online and contactless transactions on your Card

Log in via the American Express® App or your online Card Account

Select 'Account Management'

Select 'Transaction Security Settings'

Choose to enable/disable international, domestic, online, and contactless transactions.
You can also update your transaction limit

Annual Fee and Delinquency Fee

Annual Fee*: An annual membership fee of ₹40,000 is applicable and charged every year for the American Express® Platinum Corporate Card.

Delinquency Fee: A Delinquency Fee is levied if American Express does not receive full payment of the Amount Due (as shown on the monthly statement) by the due date. The Delinquency Fee will be levied at the rate of 3.5% on the unpaid balance (with a minimum monthly Delinquency Fee being ₹100), in the next monthly billing statement until the payment is received in full.

Sample Illustration: A Cardmember has a total amount due of ₹12,000 payable by due date. If the Cardmember does not pay this full amount by the due date, the Delinquency Fee that will appear in the next month's statement of account will be: 3.5%* 12,000 = ₹420. Thus, the Cardmember would be charged ₹420, which is the Delinquency Fee payable.

If the Cardmember does partial payment by the due date, that will be adjusted with the total outstanding on which the Delinquency Fee will be levied and then the Delinquency Fee that will appear in the next month's bill statement will be calculated as: Total Outstanding ₹12,000, payment made ₹2,000 by due date,
Delinquency Fee = 3.5%* (₹12,000 - ₹2,000) = 3.5%* ₹10,000 = ₹350

Please note that the Delinquency Fee stated in the example above is exclusive of Goods and Services Tax (GST). Goods and Services Tax (GST) will be billed on the Delinquency Fee charged as per applicable rates.

*Annual Fee is exclusive of the applicable Goods and Services Tax (GST) which is billed along with the fee that appears on the Statement of Account.
