Please activate your American Express® Card before first use and within 30 days of Card approval to avoid closure as per extant guidelines.

To activate your Card, download the American Express® App
or visit **go.amex/cardactivation**

Please follow the below steps to enable online, contactless, and international transactions on your Card.

Log in via the American Express® App or your Online Card Account

Go to 'Account' or 'Account Management'

Go to 'Transaction Security Settings' to enable/disable transactions and set limits as needed
